Professional opportunities in concert production and arts administration

2021 SUMMER STAFF OPPORTUNITIES
AT THE ASPEN MUSIC FESTIVAL AND SCHOOL

ASPEN MUSIC FESTIVAL AND SCHOOL

The Aspen Music Festival and School seeks talented seasonal employees to work with its team of professional administrators and artists in a safe, distanced environment for the 2021 summer season.

Closely following or exceeding all public health directives, the AMFS is reimagining programs to allow for safe rehearsing, performing, teaching, and listening to live music. Scope and scale have been modified in every area, and all necessary protocols are in place to protect the health of staff, faculty, artists, students, and audiences as they gather in Aspen for 53 days of orchestral, chamber, and opera music, as well as master classes, lectures, multimedia events, and galas.

In supporting these events, summer staff will have the opportunity to work with a wide variety of world-renowned artists, faculty, students, and AMFS year-round staff who are dedicated to producing events with a high level of artistic integrity and professionalism.

Apply now to join the team and gain valuable on-the-job training, all in a beautiful Rocky Mountain setting.

June–August 2021

Work dates vary by position, ranging from early June through late August. Performances run July 1 to August 22.
